

REASSESSMENT NOTICE

Edgefield County is in the process of our Countywide Reassessment Program which all counties are required under South Carolina law to implement every five years. Our last reassessment was done in 2006 and we expect to complete the current reassessment by December 31, 2010.

An appraiser will come out to your house to make an inspection of your property. They will knock on the door and identify themselves; they will be wearing an identification badge with their picture and name preprinted on the badge. Regardless if there is an answer at the door the appraiser will proceed to inspect the property to insure the county records are correct. They will also be riding in vehicles that have the Assessor's office emblem.

The appraiser will walk around the house to make sure that all improvements have been identified. The appraiser also notes whether the structure has a deck, garage, swimming pool or other amenities. If any additions or improvement have been made to the property the appraiser will have to measure.

We appreciate your cooperation and want to make this process as smooth as possible. If you have any questions, please feel free to contact our office @ 803-637-4066.
